Drumlin Labs · Phoenix and Tempe

Which call keeps interrupting you?

I’m Sri Nesan. I set up inbound call answering, opt-in missed-call texts and working booking or order links for local shops.

Take the counter test

Open your site on a phone. Tap the button customers need most and follow it up to the point where you’d send a request.

What is the customer trying to do? _____

Where do they get stuck? _____

Who handles it at the shop? _____

Show me where it gets stuck
